1. ELECTION OF OFFICERS & STANDING COMMITTEE CHAIRS

1.1 NOMINATION

1.1.1
It is the duty of the Secretary General to write to all the National Societies, at least six (6) months prior to the General Assembly, to request nominations for Office Bearers and Standing Committee Chairs to be presented to the Council.

1.1.2
Nominations received after the stipulated deadline will not be considered.

1.2 ELECTION

1.2.1
The Election shall be carried out in accordance with By-Law XII for Office Bearers (Executive Board) and By-Law XIII for Standing Committee Chairs.

1.2.2
The Council shall then submit the names of the successful candidates for ratification by the General Assembly in accordance with By-Law XV (5).

1.2.3
Office Bearers and Standing Committee Chairs will perform their duties as enumerated in the Constitution and are expected to familiarize themselves with the Constitution and the Administrative Manual

1.3 NOTIFICATION
The list of elected Office Bearers and Committee Chairs shall be included in the Minutes of the Meeting and shall be circulated to all the National Societies and Council within one (1) month of the meeting.
2 GUIDANCE FOR COMMITTEE CHAIRS

2.1 SELECTION OF COMMITTEE MEMBERS
2.1.1
As the Chair, you are responsible for constituting your Committee which should have 4 to 6 members.

2.1.2
As per By-Law XVII of our Constitution, please appoint at least one member from each of the 4 different zones from the list supplied by the Secretary General. If you are unable to identify appropriate members, please bring this to the attention of the Secretary General who will be in a position to help you.

2.1.3
Please also identify a co-chair or deputy chair who will be able to function in your absence. We also recommend that you try and retain the outgoing Chair in your Committee so that there is some continuity to your projects.

2.1.4
The Chair will inform the Secretary General of its Committee members within one (1) month. Committee activities should not be delayed even if the full complement of members is not on board. The Chair with “core” members should be ready to commence activities after one (1) month of the AOFOG Congress.

2.2 ACTIVITIES TO BE ORGANISED
2.2.1 Workshops
Most National Societies (NS) appreciate some form of workshop especially if it incorporates a hands-on or practical component. This can be organized as a stand-alone activity or part of a pre-congress activity at a NS Congress.

2.2.2 Symposia
Some NS request an AOFOG lecture symposium during their NS Congress. The AOFOG Secretariat is usually informed of this and will communicate with the Committee Chairs directly to organize this. However, Chairs may wish to be proactive and contact the NS directly to offer to run such Symposia independent of the NS Congress. In such cases, please keep the Secretariat informed whenever a NS is approached.

2.2.3 Research
Research projects relevant to your Committee and which can be concluded within a period of 2 – 4 years are encouraged. Please submit your proposal to the Executive Board which will consider the merits of the research proposal and the relevant grant if required. Executive Board approval is required for all research projects.

2.2.4 Publications
It would be ideal if some of the Committee work culminates in a publication in the JOGR. It can be in the form of Guidelines, Recommendations or Scientific Papers. This has been done successfully in the past – guidelines on consent for normal /
instrumental deliveries, VBAC and Caesarean sections (MFM Committee), Booklet on Preterm Labour (MFM Committee), CD on Basic Obstetric Ultrasound (Ultrasound Committee), patterns of ART in the AOFOG region (REI Committee). All publications require prior approval from the Executive Board before submission.

2.3 Number of Activities
Chairs are encouraged to organize as many activities as possible during their tenure. The expectation is at least 2 activities per year i.e. 4 activities during your tenure.

2.4 Venue for the activities
Where possible, these activities should be carried out in the lower resource NS members of our Federation. No more than 1 activity should be carried out in the home country of the Committee Chair.

2.5 FUNDING
2.5.1
In general, funding of up to USD 5000 is available for a workshop. Please refer to the section on “AOFOG Sponsored Educational Programs” for more details. Please bear in mind that funding requests should be submitted at least 3 months before the event with the appropriate documentation for consideration and approval by the Executive Board. A Financial Report and Feedback will be required after the event.

2.5.2
For Symposia, AOFOG only provides return economy airfare for our resource persons upon submission of appropriate boarding passes, invoices and receipts. Submission of incomplete documentation may result in delay or rejection of reimbursement. Registration, Accommodation and Local Hospitality should be covered by the host NS. Once again, prior approval from the Executive Board is required.

2.5.3
Where possible, you are encouraged to source your own funds. In the past, Committees have obtained funding from Ultrasound companies as well as Pharma companies dealing with vaccines, PPH, ART etc. When seeking such funds however, care should be taken not to place the AOFOG in any indelicate situations vis a vis ethical issues. When in doubt, please consult the Executive Board especially when approached directly by commercial entities.

2.6 MEETINGS
You will be required to attend 2 meetings a year:

2.6.1 Action Plan Meeting
This is a meeting with the Executive Board where you outline your plans and report on completed activities. This meeting also allows you to highlight any difficulties that you may have faced and allows the Executive Board to give you direction and suggestions for future activities.

2.6.2
Council Meeting
During this meeting, you are required to submit your report of activities to the whole Council. This is also an opportunity to network with the various NS representatives who may require the expertise of your Committee.

2.7 REPORTS
A report should be submitted every 3 months after the first Action Plan Meeting. You will also be required to submit a report at least 6 weeks before every subsequent Action Plan Meeting and Council Meeting. To ensure uniformity and to enable ease of reporting, the Secretariat will advise on the required format.

2.8 ENTITLEMENTS
2.8.1
Please be reminded that although you are part of the Council, you do not have voting rights. This remains the prerogative of the Executive Board and the representatives of the NS members in benefit.

2.8.2
However, you will receive the following benefits:

2.8.2.a
Committee Work
USD 500.00 per calendar year to cover the cost of paperwork involved in organising activities including telephone calls, stationery and postage. However, this is at the discretion of the Executive Board and no payment will be made if it is deemed that there have been no activities organised in that year.

2.8.2.b
Action Plan Meeting
AOFOG will cover airport transfers and accommodation.

2.8.2.c
Council Meeting
USD 500.00 provided you attend in person to present your report and have carried out your Committee activities to the satisfaction of the Executive Board. Committee Chairs who double up as the NS representative will only receive one stipend of USD500.00.

2.8.2.d
AOFOG Congress
Complimentary Registration and complimentary attendance at the President’s Night and Congress Banquet.

2.9 LIAISON WITH THE EXECUTIVE BOARD / NS / OTHER ORGANISATIONS
2.9.1
Pursuant to By-Law XVI (4), the President, President-Elect and Secretary General are ex-officio members of your Committee and you are encouraged to approach any one of them for advice.
2.9.2
Committee Chairs are reminded to always keep the Secretariat informed of any communication with any NS or any other body. When dealing with other regional or international organizations or commercial sponsors, Committee Chairs are not authorized to represent the AOFOG without prior consultation with the Executive Board.
3 MEMBERSHIP
3.1 DIRECTORY
The Secretariat will maintain a current directory of all its NS members and will make updates as and when it is informed by a NS of any changes. This notwithstanding, the Secretariat will write to all NS in June of every year to ensure that the Directory is current and accurate.

3.2 SUBSCRIPTIONS
3.2.1 The Secretary General in conjunction with the Treasurer, will issue a Notice for subscriptions in January of each year.

3.2.2 As subscriptions should preferably be received by 30th June, a reminder will be sent for outstanding subscriptions in July of each year.

3.2.3 The Secretariat will maintain an accurate record of all subscriptions received and receipts issued.

3.2.4 The Treasurer will review the Subscription Fee every 2 years and will formally advise the Council to be subsequently ratified at the General Assembly.

4.6 MISCELLANEOUS

4.6.1 Secretarial Assistance
Whilst there will be secretary/ies from the AOFOG Secretariat to help with the business meetings, additional assistance from the Local Organising Committee will be needed – at least two persons who can serve as runners and facilitators because the secretary/ies will not be familiar with the facilities in the conference venue.

4.6.2 Room for AOFOG Secretariat
During the AOFOG Congress, a room near the Congress Secretariat site is needed so that members of Council and National Societies can approach the AOFOG Secretariat staff for advice and assistance.

4.6.3 Hotel accommodation for AOFOG Secretariat Staff
During the AOFOG Congress, the Host Society will provide a complimentary twin-room at the Congress Hotel for the secretary/ies accompanying the Secretary General to help with the meetings.

4.6.4 AOFOG Gowns
The Secretariat should be advised on how best the AOFOG gowns could be transported to the congress venue and back to the Secretariat after the congress and the appropriate procedures for customs clearance. During the AOFOG Congress, a separate room close to the venue of the Opening Ceremony should be designated to store the pressed gowns and to enable officers to gown comfortably prior to the official procession.
5 AOFOG CONGRESS
The first Congress held in 1957 was called the Asian Congress but as our numbers grew and the Congresses became larger, it evolved into the Asia-Oceania Congress of Obstetrics & Gynaecology (AOCOG) and this name was retained when the Constitution was updated in 2015. As the abbreviation AOCOG was causing some confusion, the General Assembly of 2017 decided to rebrand it as the AOFOG Congress from 2019 onwards. This change will be reflected in the Constitution when it is next amended.

5.1 BIDDING
5.1.1
The Secretariat will send out a notice to all members **twelve (12) months before the AOFOG Congress** requesting for bids to host the AOFOG Congress in 4 years’ time. A **reminder will be sent nine (9) months before the Congress.**

5.1.2
If a national society is keen to bid to host an AOFOG Congress, it must indicate its interest to the AOFOG Secretariat two congresses ahead. To assist the Council and the General Assembly to make a decision and to allow sufficient time to make copies for circulation before the meeting, a one -page summary on the proposed venue, supporting facilities and justification for its claims to host the Congress shall be sent to the Secretariat **five (5) months before the next Council meeting at the AOFOG Congress.**

5.1.3
A time of 10 minutes will be given during the Council Meeting and another 10 minutes during the General Assembly to each candidate to make a presentation justifying the bid. Following this, voting will take place at the General Assembly by formal balloting by delegates entitled to vote and the winner will be decided on a simple majority. A record of the votes obtained by each candidate will be kept on file and made available to the candidate upon request. The congresses are often heavily bid and it would be helpful for representatives of national societies to come well prepared with promotional materials.

5.1.4
Candidates must be aware of the following activities that will take place at each Congress:
1. Pre-Congress Workshops
2. Community Fellowship Program for Young Gynaecologist Awardees
3. Opening Ceremony (AOFOG President’s Address / Conferment of Fellowships if any / Young Scientist Award / Yuji Murata Award / YS Chang Award)

5. Meetings – one Executive Board Meeting, one Council Meeting, one General Assembly and one New Council Meeting
6. Named Plenary Lectures – President’s Lecture / CT Hsu Lecture / SS Ratnam Lecture / Malaysia Lecture

6 PRESIDENT’S NIGHT
In a special meeting held in Tokyo, Japan in 1990, the Executive Board approved the President’s night to be held at every AOFOG Congress. The very first President’s Night was held during the AOFOG Congress in Bangkok in 1991. Although it started off as a cocktail reception, this event is now a sit down dinner in a semi-formal atmosphere. Attire will be National Costumes or Lounge Suits. The main purpose of the President’s Night is to recognize the Young Gynaecologist Awardees (YGAs) and to give them an opportunity to network with the Executive Board and Council of the AOFOG.

6.1 FUNDING
This event is funded by the AOFOG for up to approximately 200 persons. The Host Society will provide the Executive Board with details of the event (timing, venue, seating arrangements, menu, alcoholic drinks, AV facilities etc) with cost estimates 6 months before the event. The Executive Board will consider the proposals before giving final approval not later than 5 months before the event. The final amount will be deducted from the Congress dues to the Federation and will be so reflected in the Congress Financial Report.

6.2 INVITEES
6.2.1
The following are entitled to complimentary invitations:
Executive Board members and partners
Standing Committee Chairs and partners
National Society representatives to Council and partners
Past Presidents and partners
Fellows and partners

Local Organising Committee and partners

Presidents of National Society members and partners
Presidents of International Organisations (when applicable) and partners
Winners of YSA, Murata and Chang awards and partners
YGAs

6.2.2
In principle, spouses and parents of YGAs are not encouraged to attend so as to allow the YGAs every opportunity to network with their peers and seniors. However, if spouses or parents of YGAs wish to attend, they can write in to the Secretariat. This will be decided on a case by case basis and a “first come first served” policy depending on availability of seats. Currently, not more than 2 family members per YGA will be allowed for a fee to be determined by the AOFOG Secretariat. This arrangement will be reviewed from time to time.

6.3 INVITATIONS
The list of invitees will be compiled by the AOFOG Secretariat with input from the Host Society. The invitations will be sent out by the AOFOG Secretariat 4 months before the event and the closing date for replies should be 3 months before the
event. The AOFOG Secretariat will forward the final list to the Host Society to ensure adequate seating and catering. As this event is by invitation only, the Host Society will maintain a check-list at the entrance to ensure that only confirmed attendees are allowed access.

6.4 SEATING ARRANGEMENTS
Starting from the Congress in Kuching in 2015, the seating of the YGAs was interspersed with Executive Board members, Past Presidents, Fellows and Committee Chairs to allow for maximum interaction with the senior members of the Federation. The Host Society will organize the seating arrangements accordingly and display the seating arrangement prominently at the entrance. Ushers should be on hand to direct the individuals to their respective seats.

In situations where spouses and parents of YGAs are given special approval to attend, this list must be forwarded to the Host Society by the AOFOG Secretariat and the Host Society will ensure that these individuals are seated together at a separate table and not with any YGA.

15.1 OBJECTIVE
The SSR - YGA enables promising young Obstetricians and Gynecologists from all the member countries of the Asia and Oceania region to attend the congress of the AOFOG which is usually held biennially. The participation of Young Gynaecologists:

- provides them an opportunity to update knowledge and skills of Obstetrics, Gynaecology and Reproductive Biology promotes social interaction between them, their peers and other delegates
- provides an insight into the functioning of the Federation by encouraging attendance at the General Assembly session

All these help to prepare them to become the future leaders of their National Societies (NS) of Obstetricians and Gynecologists and hence of the Federation. The criteria of selection provided to the NS reflects this hope.

15.2 HISTORY OF THE AWARD

Ratnam, who was the President Elect of the AOFOG at the time of his demise and who had been its Secretary General for 21 years.

The aim of this Program is to expose YGAs to different health care systems and foster closer relationships among the future leaders of the AOFOG. The second CFP was held in conjunction with the AOFOG Congress 2017 in Hong Kong and proved to be equally successful in achieving these objectives.

16.1 PROGRAM

Specific time must be allocated for group activities among the participants. For reference, the CFP in 2015 focused on Rural Health while the CFP in 2017 focused on traditional Chinese Medicine and Tertiary healthcare. During the President’s Night, the coordinator of the CFP will report on the Program and participating YGAs will share their experiences.

16.2 DURATION
3 – 7 days before the start of the main AOFOG Congress depending on the Program and at the discretion of the Host National Society. Full board and lodging will be provided by the Host National Society for the duration of the CFP for ALL YGAs (from both Developing and Developed countries). The accommodation need not be lavish but must be clean and comfortable and befit the status of the YGAs.
